

COUNTY OF YORK

MEMORANDUM

DATE: October 11, 2002 (BOS Mtg. 10/15/2002)

TO: York County Board of Supervisors

FROM: James E. Barnett, County Attorney

SUBJECT: Legislative Program

Attached for your consideration is a draft legislative program for the 2003 General Assembly. This draft reflects comments made by the Board at its work session of October 8. If there are any further amendments, those changes can be made quickly prior to its distribution to our legislators.

Unlike prior years, this draft program does not divide the items into two sections, one being requests for specific legislation and the other consisting of more general policy considerations. Given that the single overriding policy consideration before the upcoming General Assembly will be the budget, I thought that the Board may wish to list all items in the program together. Anticipating that the items addressing the state budget crisis would represent the Board's legislative priority, I have listed them as the first two items. The following items are listed in no particular order.

I recommend the adoption of Resolution R02-185 by which the Board will adopt its legislative program for the 2003 General Assembly.
